Conference Travel Award Application

AWARD APPLICATION PROCEDURE: The application must be complete and submitted 30 days prior to the date of the conference. No awards will be granted retroactively and if the student doesn’t have a letter prior to leaving we cannot approve support. The application must be signed by the Director of Graduate Studies in your department, which also indicates the department’s commitment to provide support of 30% of the total expenses. The application form must also be accompanied by a brief letter of intent (relevant details of the trip) and a brief abstract of the paper or poster to be presented at the conference. Once complete submit all documentation to your department administrator or DGSA for processing. The forms will be electronically submitted to The Graduate School through ImageNow. Link to instructions: https://gradschool.duke.edu/sites/default/files/documents/conference_travel_upload_process.pdf.

ELIGIBILITY: Any graduate student enrolled in a Ph.D. granting program who has passed all parts of the Preliminary exam, submitted the prelim results to Academic Affairs, and is actively participating in a conference (i.e., presenting a paper or poster, or leading a discussion) is eligible. Students are limited to one conference travel award per fiscal year (July 1-June 30). Students attending conferences during the academic year must be registered at the time of the conference. For summer conferences, students must be registered for the upcoming fall semester, and have been registered for the previous spring semester. No exceptions will be made.

TERMS OF THE AWARD: The Graduate School will provide 70% of the total expenses for registration fees, primary travel, three nights lodging, and meals for four days (up to $25 a day). The maximum amount to be paid by The Graduate School is $525.00 (70% of $750) for domestic and $700.00 (70% of $1000) for international travel. The applicant’s department is responsible for providing 30% of the total expenses for registration fees, primary travel, three nights lodging, and meals for four days (up to $25 a day). If the student has received a non-departmental grant for travel, this amount must be deducted from the request. If the applicant’s department cannot commit to providing 30% support, the award application will not be approved by The Graduate School.

REIMBURSEMENT: Save all original expense receipts. When you return from your trip, you may submit all receipts to your department for processing. The Graduate School will provide the appropriate award code and verify allocations. Your travel expenses will then be done electronically via Duke@Work travel expense form at http://www.hr.duke.edu/selfservice by you or your department. The Travel Expense Form must be submitted no later than 1 month (30 days) from the date of your return from the conference.

INTERNATIONAL TRAVEL: International Travelers must now register their travel plans in advance with the Duke Travel Registry. Please review the Travel Policy, complete the Graduate & Professional Students Travel Registration form at https://travel.duke.edu and have your flight, destination and passport information available before you log in. Per the Duke Travel Policy, this process will speed assistance or evacuation in the event of an emergency.

Conference Travel Award Application

The Graduate School will provide 70% of up to $750.00 ($525) for domestic and up to $1000.00 ($700) for international travel, which includes the students’ registration fee, the primary transportation to and from the conference, food for 4 days (not to exceed $25.00 per day), and lodging for 3 nights. However, the final amount is not determined until the Graduate School receives a Travel Expense Form from the department with attached receipts.

1) Conference Registration Fee - The Graduate School will pay 70% of your registration fee to attend the conference. Your department agrees to pay the remaining 30%.

2) Primary Travel - The Graduate School will only cover 70% of the cost for the primary means of transportation to and from the conference. Your department agrees to pay the remaining 30%. Taxi's, shuttles, etc. are NOT included as primary travel.

3) Lodging - The Graduate School will only cover 70% of the cost for 3 nights of lodging, even if your conference is longer than that. If, by staying over on a Saturday, your airfare is reduced by more than the cost of an additional nights lodging, we will consider covering an additional day, but ONLY if this is discussed in detail and requested in your letter of intent. Your department agrees to pay the remaining 30%.

4) Food - The Graduate School will only provide for 4 days of food at a maximum of $25 per day. Save receipts and keep a meal log. If there is a banquet at the conference, the same $25/day rule still applies. Your department agrees to pay the remaining 30%.

5) Other Awards - If you receive a non-departmental award for the conference, you must list it and subtract it from the TOTAL line.

The Graduate School expects students to find the most reasonable and economical lodging and transportation. Call around and get price quotes. If you can, share a room instead of getting a single. Once you return submit all receipts to your department for processing. The Grad School does not prepay any expenses. The department may prepay expenses and TGS will JV the award to the noted fund code once travel is complete. If an advance is needed please submit a Travel Advance Form to the Bursar’s Office through your department.

International Travel: International Travelers must now register their travel plans in advance with the Duke Travel Registry. Please review the Travel Policy, complete the Graduate & Professional Students Travel Registration form at https://travel.duke.edu and have your flight, destination and passport information available before you log in. Per the Duke Travel Policy, this process will speed assistance or evacuation in the event of an emergency.

Summer Travel - Students do not have to be registered for summer to receive a Conference Travel Award in the summer. However, you do need to have been registered during the spring prior to the conference and be registered for the upcoming fall to be eligible for summer travel.
