## Graduate School Professional Development

### Teaching Ideas Workshops

This annual workshop series addresses topics relevant to teaching, learning, instructional technology, and issues in higher education and faculty life. [gradschool.duke.edu/TeachingIdeas](https://gradschool.duke.edu/TeachingIdeas)

### Courses on College Teaching

One-credit courses address topics including fundamentals of college teaching, course design, visual communication, online teaching, student diversity, and topics and careers in higher education. [gradschool.duke.edu/Courses](https://gradschool.duke.edu/Courses)

### Certificate in College Teaching

This program prepares Ph.D. students to teach and provides formal documentation upon completion of the program, which helps make students more competitive when applying for faculty positions. [gradschool.duke.edu/CCT](https://gradschool.duke.edu/CCT)

### Bass Instructional Fellowship Program

Graduate students gain high-quality teaching experience as instructors of record, instructional teaching assistants, or online apprentices through this endowed fellowship program. [gradschool.duke.edu/Bass](https://gradschool.duke.edu/Bass)

### Preparing Future Faculty

Ph.D. students learn about the broad range of faculty roles and responsibilities in this yearlong experience by visiting regional partner institutions and working closely with a mentor at one of them. [gradschool.duke.edu/PFF](https://gradschool.duke.edu/PFF)

### Duke OPTIONS

Ph.D. students develop six key competencies throughout the three stages of their graduate programs using this online professional development planning tool. Duke OPTIONS provides advice on when to take advantage of career and professional development offerings and encourages students to map out their futures. [options.duke.edu](https://options.duke.edu)

### Writing Support

In partnership with Thompson Writing Program, The Graduate School provides resources including academic courses, individual writing consultations, and additional support for international students. [gradschool.duke.edu/WritingSupport](https://gradschool.duke.edu/WritingSupport)

### Responsible Conduct of Research

All master's students are required to complete four hours of RCR training during their orientation; all PhD students are required to complete 12 or 18 hours of RCR training in their first four years of study, depending on their discipline. [gradschool.duke.edu/RCR](https://gradschool.duke.edu/RCR)

### Mentoring

Students with strong mentoring relationships are more productive, more involved in the campus community, and more satisfied with their graduate school experience. Through online resources, The Graduate School works to cultivate a culture of mentoring at Duke. [gradschool.duke.edu/mentoring](https://gradschool.duke.edu/mentoring)

### Versatile Humanists at Duke

VH@Duke offers resources to enrich and broaden PhD training for Duke students in the humanities and interpretive social sciences to prepare them to make a difference in their careers as humanists, whether inside or outside the academy. [versatilehumanists.duke.edu](https://versatilehumanists.duke.edu)

### Administrative Internships

Ph.D. students can gain administrative experience and insights through internships hosted by The Graduate School and the University Center of Exemplary Mentoring. [gradschool.duke.edu/gradintern](https://gradschool.duke.edu/gradintern) | [gradschool.duke.edu/ucemintern](https://gradschool.duke.edu/ucemintern)

### Professional Development Blog

Students can share their professional development experiences and alumni interviews to build their online communication portfolios. [gradschool.duke.edu/ProfDevBlog](https://gradschool.duke.edu/ProfDevBlog)

### Professional Development Grant

Students' professional development needs vary across disciplines. This grant supports discipline-specific programming at the program or department level that complements campus offerings. [gradschool.duke.edu/ProfDevGrant](https://gradschool.duke.edu/ProfDevGrant)

### Emerging Leaders Institute

In this six-week intensive program, participants develop competencies in communication, self-awareness, professional adaptability, interdisciplinary teamwork, and leadership, leading to a certificate of completion. Spring [gradschool.duke.edu/ELI](https://gradschool.duke.edu/ELI)

### Professional Development Series

These events help students identify career paths of interest and develop transferable skills to succeed in them, whether in academia, industry, government, nonprofit, or entrepreneurship. Series features Master's Workshops, the Academic Job Search Series (biannual), and the Careers Beyond Academia series (biannual). [gradschool.duke.edu/PDS](https://gradschool.duke.edu/PDS)
